

Summer Exploration of Art

Scholarship Application Form 2010

A limited number of scholarships are available to those with a **financial** need on a first-come, first-served basis. In order to be eligible for a scholarship, you must fill out this form and return it to the museum along with the **Summer Exploration of Art** registration form and a letter of recommendation from your child's teacher stating that they would benefit from attending classes here. Only after all this information is returned will your child be considered for a scholarship. You will be notified by phone if you have been chosen.

Due to the high demand, it is unlikely that scholarships can be given for every single class for the entire summer. Some families may want to consider partial payment combined with scholarships to ensure that their child can attend every class.
